RDO/ SPECIAL ASSIGNMENTS

At the General Membership meeting a motion was passed for the membership to not work Special Assignments on their RDO's (*ie: football*).

SYSTEMWIDE/DIVISION OPERATOR OF THE MONTH

The Executive Board will not be participating in these programs until further notice due to unfair treatment of the Local membership.

PUBLIC EMPLOYEES RELATIONS BOARD

Unfair labor practice was filed with the PERB Board on August 2, 2010. This was in response to the MTA's Attendance and Sick Leave Policy and the implementation of said policy.

Your Local is also petitioning PERB for an order to seek injunctive relief to prevent SFMTA from implementing the September 4, 2010 changes (division signup) and the August 1, 2010 Attendance/Sick Leave policy.

The MTA has failed to "Meet and Confer" in good faith with their implementation of the attendance policy and the division signup and your Local is fighting to correct the wrongs that have been directed at all TWU members!

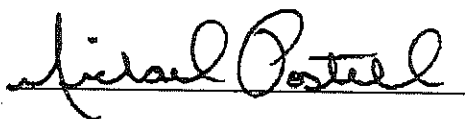

AN INJURY TO ONE IS AN INJURY TO ALL.
